EXALTA HEALTH OPENS WALK-IN DENTAL CLINIC IN GRAND RAPIDS, BURTON HEIGHTS DISTRICT **[GRAND RAPIDS, MICHIGAN, March 5, 2019]**

Exalta Health will be providing dental care on a walk-in basis beginning Wednesday, March 6 in the Burton Heights area of Grand Rapids. Currently, patients must call and schedule an appointment ahead of time to be seen. The walk-in clinic will offer all types of dental care including dental “cleanings,” urgent dental care, fillings and extractions.

The walk-in clinic hours will help increase access to dental care for the uninsured and underserved individuals who live, work and attend school in Grand Rapids. “Keeping an appointment may not be realistic for many of the people that we are trying to serve,” said Daniel Armstrong, DDS, Exalta Health’s Dental Director. “We hope the flexibility of a walk-in clinic will help more people get the dental care they need.”

The dental walk-in clinic will open every Wednesday and Thursday at 9:00 am and will be on a first-come, first served basis. Patients are encouraged to arrive by 9:00 am for registration to ensure they will be seen that day.

Information about walk-in clinic hours can be found on Exalta Health’s website at exaltahealth.org or on their Facebook page: www.facebook.com/exaltahealth/

Exalta Health was established in 1996 to serve the underserved with faith-centered medical care. The mission quickly expanded to include all those without access to health care. Located in the Burton Heights area of Grand Rapids since 1998, Exalta Health has become a trusted resource for healthcare in the West Michigan community.

Exalta Health reflects the spirit of Christ by providing compassionate, accessible healthcare. Current services include medical, vision, dental, behavioral health, and spiritual care. Service is provided to people of any ethnicity, language, gender, disability, religion or creed. Through a professional staff and over 200 volunteers annually, Exalta Health provides quality healthcare services that are both affordable and accessible.
